

## **Privacy Policy:**

### **What types of information do we collect?**

GUAutotech Inc. receives, collects and stores any information you enter or provide to us when submitting an enquiry on one of our products or services listed on our website. In addition, we collect the Internet protocol (IP) address used to connect your computer to the Internet; login; e-mail address; password; computer and connection information and purchase history.

We may use software tools (like Google Analytics) to measure and collect session information, including page response times, length of visits to certain pages, page interaction information, and methods used to browse away from the page. We also collect personally identifiable information (including name, email, password, communications); payment details (including credit card information), comments, feedback, product reviews, recommendations, and personal profile. (if there is a option to create a log in / profile on our website – not available at this moment)

### **How do we collect this information?**

When you conduct a request, enquiry or purchase on our website, part of this process in order for us to provide the service / product you are interested in, we collect the information you provide to us like your name, email and address. Your personal information will be used for the specific reasons stated above only.

### **Why do we collect this information?**

When using our website and in order for the GUA brand to offer you our services and products we do the following:

- We collect Non-personal and personal information to provide and operate our services listed on our website
- To provide our customers with our ongoing customer assistance and technical support
- To be able to provide our response and contact our customers and users to their requests and enquiries/ purchases through our website
- To comply with any applicable laws and regulations.

### **How we store, use and share your personal information:**

We use the wix.com platform that provides us with the online website design and management that allows us to provide our latest products and services to you. Your data may be stored through the wix.com's data storage and databases that wix.com uses on this platform. These are all stored on secure servers behind a fire wall.

Online store purchases are all direct payment gateways offered by Wix.com and used by our company that adhere to the standards set by PCI-DSS (PCI Security Standards Council) which is used by brands like Visa, MasterCard, American Express and Discover. These requirements help ensure the secure handling of credit card information by our online store and service providers.

## **How do you withdraw your consent?**

For any reason you do not want GUAutotech Inc. To process and store your data, please contact us on [contact@guautotech.com](mailto:contact@guautotech.com) and please request for our team to remove all your data from our servers / databases.

## **Privacy Policy updates:**

We reserve the right to update, change or modify the information on this privacy policy at any time. Please review this document frequently.

If we have updated any information or made any changes, this will take effect immediately upon this document being uploaded and posted to our website. If we make changes to this policy, we will notify you that it has been updated to ensure you know of the information we collect, how we use it and under what circumstances, if any, we use/disclose it.

If you have any questions, please do not hesitate to get in touch with us:
